The purpose of the Trial process is to provide an independent and unbiased assessment of each player’s technical ability. At the conclusion of the process a technical assessment report on each player will be produced.

This report will form the basis of our composition of the 2012 top teams and will be used for ongoing player development.

Trial Format for the day

Each player will be given a number before trial starts. This number will be matched to the name on the assessor’s assessment sheet.

A rating of 1 -3 will be given for each section of the session 1 = Development - Limited Skill, 2 = Sufficient - Graduated Skill, 3 = Proficient Acquired Skill

Each grade will run a 60 minute assessment session covering

- Ball Mastery
- Passing | Receiving
- Small Sided Games (Age Appropriate as per Whole of Football Plan)
